Transcript in CJA Cases In multi-defendant cases involving CJA defendants, no more than one transcript should be purchased from the court reporter on behalf of CJA defendants. One of the appointed counsel or the clerk of court should arrange for the duplication, at commercially competitive rates, of enough copies of the transcript for each of the CJA defendants for whom a transcript has been approved. The cost of such duplication will be charged to the CJA appropriation. This policy would not preclude the furnishing of duplication services by the court reporter at the commercially competitive rate.
