

Modifying Your Court Profile

Your Court Profile page contains court-specific information for each of your eVoucher accounts. You can edit your court profile for each of your court accounts, in one or more courts. Any changes to your court profile do not affect your Single Login Profile (SLP). From your court profile, you can:

- Edit court account contact information, including your phone number, email address, and physical address (Attorney Info section).
- Access Vendor Manager to view and edit your billing and payment account information (Billing Info section).
- Add a time period during which the attorney will be out of the office (Holding Period section).
- Document any continuing legal education attendance.

Step 1

If given access by your court, you may be able to make changes to your eVoucher account information by clicking the **Court Profile** link on the Home page.

Be aware that any changes made to your court profile are not applied to any of your other linked accounts. This is noted at the top of your Court Profile page.
